

Hi Daylight! Como estas?

Hum bohot ajeeb ajeeb chiz sun aur padh liye h tumhare baare me usse...chat screenshots, photos wagera toh dekhe hi par kya hi batayee and it's hard to keep such an image of yours in my mind

Kuch chiz obviously badha chada kar bola h wo humko, Par baat ye h ki who is Daylight actually??

Aur tum chinta mat karo usko bhanak bhi nahi lagne diye h ki mera koi special interest h tumhare baare me janne me

Hum tumko bole hi hai  
hamesha ki tumhara reserved  
nature aur ek sadness  
tumhare chhere par hamesha  
mere nazro me exist karta hai  
tumhare liye

Par aaj yehi baat par humko  
doubt ho raha h...yehi baat  
unacceptable h...sanjay ya kisi  
aur se humko matlab nahi, it's  
your personal matter

Daylight has been in my mind for many years now, I have always sensed a sadness on her face since class 6<sup>th</sup> and my dreams have only strengthened that belief. Her beauty obviously grabbed my attention, but the sadness kept that feeling alive. I hope I don't make her angry tomorrow, will try to approach her somewhere safe once the chem practical is over.

**DIARY ENTRY BEFORE THE  
CHEM PRACTICAL DAY**

Tum jab lab coat maangne aa rahi thik usi  
second hum tumhare taraf approach karne ke  
liye chal rahe the...kaafi accha coincidence  
tha...mera kaam bohot easily ho gaya...uske liye  
**big** thanks

Humko obviously kharab lag raha h ki jo character hum tumhare baare me soch ke rakhe the itne saalo se...uske upar itna bada question mark lag gaya h

Hum samajhte h ki it's none of my business agar kuch baat h bhi par tum jo bolti thi ki tumhari koi aur dost wagera nahi h gauri ko chorkar, 'humko aaj tak koi approach nahi kiya', aur tum phir puchne par bhi boli ki bas humko aur gauri ko pata tha june attempt (april attempt) wala baat par hum toh sanjay ka screenshot dekhe the 12 February wala jisme tum usko ye batayi thi. Hum viswas nahi kar paa rahe h ab tumhare upar, jab tak kuch khul ke aur camly na bolo tum

Agar sanjay sahi me tumhara dost h toh wo abhijeet ka bhi bada dost ~~hai~~ tha jab tak hum uska naam nahi liye aur hum sune ki agar tum aisa kuch share ki ho jo ki unspeakable h toh wo safe nahi h...kyuki abhijeet bola ki sab kuch forward karta tha sanjay usko... hum bata nahi sakte..aur abhijeet bematlab ka utna bada bada baat nahi karega, ye bhi nahi h ki uska koi crush h tumhare upar, wo kisi aur ko pasand karta h

Hostel toh same hi tha unka...toh chats sab broadcast ke tarah dekhta tha

Aur sanjay sagrika wala baat toh suni hi hogi tum...

All intelligent brains do not necessarily have a human heart...

All good looking men/women may not always be trustworthy

There are monsters in disguise of humans...lying monsters are the most dangerous

I know you are feeling uncomfortable again par humko bhi us din lagbhag 3 baje tak nind nahi aaya phir 5:30 ko hi uth gaye, aaj bhi phir waisa hua, aur hum tension lene wala aadmi nahi h, academics wagera ka tension hum kabhi nahi liye h na lenge

... humko bas tumhare baare me aur ek ghar ka baat h jo humko deta h ya de sakta h tension ...baaki kisika opinion se humko fark nahi padta...tumhare dadu ka news sunkar humko sahi me bohot kharab lagne laga tha...hum sochne lage ki itna dukhi toh hum khud ke nana nani ke death par nahi hue the...waise chhote bhi the

9<sup>th</sup> May ko humko bas isiliye kharab lag raha tha ki hum tumko uneasy feel karwaaye...hum maan liye the ki sanjay wala baat galat h aur upar se kuch baat tum ulta samaj li, kahi jagah hum sanjay ka baat kar rahe the toh tum sochi hum abhijeet ka baat kar rahe h

Isliye pura guilt humko khud ke upar aa raha tha

Aisa nahi h ki mera koi intention h tumko impress karne ka ya kuch

Kyuki agar tum ho bhi gayi ya ha bol bhi diye, toh college ka 4 saal kaafi hota h school friends ko bhulne ke liye

Aur college friends bhi nahi rahte kuch saalo baad most cases me

Ye baat hum samajte h phir bhi I just want to celebrate till it lasts

Sad h par sach h

Man me jo aa raha h likh rahe h toh koi sequence nahi kuch khas in baato ka

Hum abhijeet dey ka naam soch samaj ke hi liye the kyuki, kuch chiz observe kiye hum tumhara bolne ke style me phir hi bole, aur hum jaisa ki soche the ki tum sanjay ko abhijeet dey ko update dene mana kar dogi waisa hi hua h, aur hum kuch bhi hawa me nahi bol rahe h ye samajna tum, kaafi kuch bataya h wo jaise kaise tumko acche handwriting waale ko khojne ke bahane message kiya tha 😊

Hum observe kiye ki tum sanjay agar jhut bol raha hota toh tumhara gussa uske upar hona chahiye tha , par tum pura gussa abhijeet dey ke upar hi nikaal di kyuki wo bas poora sach/adhura sach saamne laaya

Ye bhi ho sakta hai ki ab tum dono ka baat band ho gaya ho ya kuch...

Tumhare baare me ya kuch bhi personal baat ko lekar hum kabhi kisiko trust nahi kiye h...na khud ke class waalo ko...na koi dusre dost ko...humko bhi privacy aur mystery bohut accha lagta h...abhi jeet dey ko toh hum trust karte hi nahi...ye toh by coincidence tumhare baare me sun liye...wo bheja h dusro ka screenshot bhi humko...par hum ye sab nahi karte

Tum hamesha humko trust kar sakti ho...hum tumko abhi bhi kuch judge nahi kar rahe h, it's just a...

Big?

To my ~~beliefs~~

Wo abhijeet dey humse result maang raha tha tumhara kyuki usko lagta h ki hum 12 me bhi result nikaalne jaante h kisika bhi school me jaise 10 me usko sikhaaye the

Par hum usko bol diye ki mere paas koi data nahi h is baar...hum ye batakar ye kehna chahte h ki hum kuch nahi batate h ya na batayenge tumhare baare me kisiko bhi...even something as small as a result card

Humko kabhi kabhi lagta h ki tum humko pura sach nahi batayi ho kyuki tum humko trust nahi karti ho...aur wo obviously ok h, aisa sochna bhi chahiye...humko pata nahi hum tum par trust kar sakte h ki nahi par hum karna chahte h...so **please let me listen to the entire truth in your own words...just for once**...like all the little secrets you have told me before

Kaafi kuch baat incomplete aur misunderstood ho jaata h aise lambe paragraph likhne se

ho sakta hai ki tum ye poore baat ko ignore kar do par hum bas wish karte h ki tum iska kuch answer do...hum na kuch tumko judge karna chahte h aur na koi baat failaane chahte h...hum apna hi baat nahi karte kisisse isliye kaafi log ko lagta h ki hum koi academic keeda h...I **just want to know** what all has happened to you... **not change it**

accha ye sab toh h par humko tumko kabhi thanks  
bolne ka mauka milega ki nahi pata nahi

Isliye idhar hi bol lete h  
Tum mera help hamesha se hi ki ho kaafi indirect  
tarika se, 11 me bhi, 12 me bhi, aur ab 13 me bhi...just  
by existing...jab tum dusre section me thi (8-10) tab  
bhi tum mera help ki ho indirectly...shayad kabhi  
explain bhi karenge kaise ki ho

Par I am in your debt forever...

IT DOES NOT DO TO  
**DWELL ON DREAMS,**  
AND **FORGET TO LIVE.**
